of 1926.

Serial No. 1

Letter No C. 1206-25 dated 19th May 1926 from the Excise Commissioner in Mysore

Requests that his office may be exempted from the operation of the recruitment rules as regards preference to be shown to members of backward communities as in the case of the Police and Medical Departments as the requisite percentage of 50% has been reached in his office.

In connection with certain appointments of School masters made in the Chitaldrug District the D. of Education has asked for orders of Government as to whether the prescribed limit of 50% is to be made applicable to individual offices in a particular District or the Department as a whole, if not the whole State and the subject is on the Agenda for the next meeting of the Board. The proposals of the Excise Commissioner may perhaps also be considered in that connection.

Submitted for orders.

In enclosing herewith a statement showing the composition of Establishment of my office as it stands at present, I have the honour to state that of the sanctioned scale of 20 hands of the office, ten appointments are permanently held by non-Brahmins and seven by Brahmins, while in three places which are permanently vacant non-Brahmin candidates have been appointed temporarily.
